Application for Counsel

- ② And it became very complicated due to Mrs. Workman's claims and allegations of her harassing me and Mr. Chase threatening me, harassing me and trying to intimidate me. These are strong allegations and could greatly impact case. As a pro se Plaintiff I feel that I am getting taking advantage of ~~of~~. This case has become very complex and difficult for me to litigate without an attorney. I feel at this point it is very difficult for me to proceed ~~pro se~~. The supposed individuals have taken a toll on me and my lawsuit.
- ③ documents, opposition papers all of a sudden declined my case. I met with an attorney from Long Island he wanted to charge me a retainer of \$7500. Honorable Boss I don't have that kind of money. Multiple attorneys have told me it's to late into the action for them to take it, but they did ~~not~~ tell me if it goes to trial I will have a better chance of obtaining a judgment. I also had a couple of attorneys telling me that they can't represent me because of what was on the docket, that Susan Workman accused me of harassing her.

Honorable Boss if I could afford an attorney I would be more than happy to

get one. I thought the attorney that helped me start this lawsuit would have taken the case, but was unable to. Without poor person's relief Hon. Ross I will not be able to proceed.

The diligence (limited discovery) that you ordered me to do is a result of Ms. Farago's opposition papers, so it is hard to do the diligence when she is the one who opposes the papers for me.

Honorable Ross, I am asking you to provide me with the attorney for limited scope discovery that they have in the United States District Court.
